The navy communications director, Rear Admiral Earl E. Stone of Washington, D. C., paused to examine a navy field transmitter and receiver Saturday when he attended the national convention of the American Radio

Relay league at the Auditorium. Among the radio "hams" present were Gerald Ehley (left), 3331 N. 17th st., and Fred Catel, 2497 N. Cramer st., program director and vice-chairman of the convention, the first of its kind in 10 years.
